

### **REMARKS**

Reexamination and reconsideration of this application is requested. By this Response, Claims 21-23 were cancelled. After this Response, allowed Claims 1-5 and 7-13 remain pending in this application. Reconsideration and allowance of the pending claims in view of the above amendments and the following remarks are respectfully requested.

### **Allowable Subject Matter**

Applicants wish to thank and acknowledge the Examiner for allowing Claims 1-5 and 7-13. Applicants have canceled Claims 21-23 without prejudice or disclaimer to expedite the allowance of this patent application to issue as a U.S. patent.

Therefore, in view of the amendments and remarks above, Applicants believe that pending Claims 1-5 and 7-13, and the present application, are all in allowable form, and kindly request that the Examiner allow this application to issue.

### **Conclusion**

The foregoing is submitted as full and complete response to the Official Action mailed July 20, 2006, and it is submitted that Claims 1-5 and 7-13 are in condition for allowance. Reconsideration of the application, as amended, is requested. Allowance of pending Claims 1-5 and 7-13 is earnestly solicited.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim, unless Applicants have argued herein that such amendment was made to distinguish over a particular reference or combination of references.

If the Examiner believes that there are any informalities that can be corrected by Examiner's amendment, or that in any way it would help expedite the prosecution of the patent application, a telephone call to the undersigned at (561) 989-9811 is respectfully solicited.

The Commissioner is hereby authorized to charge any fees that may be required or credit any overpayment to Deposit Account 50-1556.

In view of the preceding discussion, it is submitted that the claims are in condition for allowance. Reconsideration and re-examination are requested.

Respectfully submitted,

Date: September 20, 2006
